HDIL INDUSTRIAL PARK, BLDG NO. 10, UNIT NO. 4, CHANDANSAR ROAD, VIRAR EAST, PIN 401 305, DIST. PALGHAR, MAHARASHTRA INDIA
MANGESH/BHARAT
9987645576, 8689883646

What We Offer

we offer a wide range of machines that produced product with various capacities, color, shape, size and designs. Our product are available in different floral pattern that imparts attractive look. Our range of pet machines is widely used in pharmaceutical, chemical, cosmetic, food and beverage industries. Our customer can avail customized machines available as per their specification

RANGE OF PET BLOWING MACHINES

- **SSPE/1L/2C/AD**
1 LTR 2 CAVITY AUTO DROP
- **SSPE/2L/2C/AD**
2 LTR 2 CAVITY AUTO DROP
- **SSPE/2L/2C/ME**
2 LTR SEMI AUTO
- **SSPE/5L/1C/ME**
5 LTR SEMI AUTO JAR & BOTTLE
- **SSPE/20L/1C/ME**
20 LTR JAR & BOTTLE
- **SSPE/2C/JB/ME**
2 LTR SEMI AUTO JAR & BOTTLE
- **SSPE/1L/2C/AU**
1 LTR 2 CAVITY AUTOMATIC
- **SSPE/1L/4C/AU**
1 LTR 4 CAVITY AUTOMATIC
- **SSPE/2L/2C/AU**
2 LTR 2 CAVITY AUTOMATIC
- **SSPE/2L/4C/AU**
2 LTR 4 CAVITY AUTOMATIC

SSPE/1L/2C/AD

1 LTR 2 CAVITY AUTO DROP

SHREE PLASTO PET ENGINEERING make Pet Blow Moulding Machine

Model SPPE -/1L – 2C – AD.
Capacity – 100 ML to 1000 ML
Neck Dia “ Max 32 mm
Production- Up to 1 Ltr Bottle 1200 BPH
Blowing Pressure- 25Kg 54 CFM
System Pressure- 8 Kg
Heating Conveyor :- 6 Heater (Infrared) Heating Conveyor.
Processor- Sarika Technologies
Power Installed- 40 HP

SSPE/2L/2C/AD

2 LTR 2 CAVITY AUTO DROP

**SHREE PLASTO PET ENGINEERING make
Pet Blow Moulding Machine**

Model SPPE/2L/2C/AD.

Capacity – 200 ML to 2000 ML

Nech Dia “ Max 32 mm

Production- Up to 1 Ltr Bottle 1200 BPH 2ltr Bottle 800 BPH

Blowing Pressure- 25Kg 54 CFM

System Pressure- 8 Kg

Heating Conveyor :- 6 Heater (Infrared) Heating Conveyor.

Processor- Sarika Technologies

Power Installed- 40 HP

SPPE/2L/2C/ME

2 LTR 2 CAVITY SEMI

SHREE PLASTO PET ENGINEERING make Pet Blow Moulding Machine

Model SPPE -/2L – 2C – ME.

Capacity – 200 ML to 2000 ML

Nech Dia “ Max 32 mm

Production- Up to 1 Ltr Bottle 1200 BPH

Blowing Pressure- 25Kg 54 CFM

System Pressure- 8 Kg

Heating Conveyor :- 7 Heater (Infrared) Heating Conveyor.

Processor- Sarika Technologies

Power Installed- 35 HP

SSPE/5L/1C/ME

5 LTR SEMI AUTO JAR & BOTTLE

SHREE PLASTO PET ENGINEERING make Pet Blow Moulding Machine

Model SPPE -5L- 1C

Capacity – 500 ML to 5 kg Jar and Bottle

Cavity- 2 Nos. Up to 1.5 Ltr 83 mm neck

Singal Cavity for 96mm and 120mm Neck jar / 5kg

Nech Dia- “ Max up to 120 mm

Production- Up to 2 Ltr Bottle 1000 BPH

2 Ltr Bottle – 800 BPH

Blowing Pressure- 25 kg 54 CFM

System Pressure- 8 kg

Heating Conveyor- 8 Heater (Infrared) Heating

Conveyor with ups for Power Failures Control.

Processor- Sarikha Technologies

Power Installed- 40 HP (with Compressor)

SSPE/20L/1C/ME

20 LTR JAR AND BOTTLE

SHREE PLASTO PET ENGINEERING make Pet Blow Moulding Machine

Model SPPE / 20 L /ME.

Capacity - 5 kg to 20 kg.

Neck dia - 53 mm to 120 mm.

Production- 20 ltr Bottle.

65 to 70 BPH

Material : Pet perform

Mould clamping : Hydro pneumatic

Stroke : 350 mm / 20 ton locking.

Blowing Pressure- 25 kg 72 CFM

System pressure- 8 kg

Heating system - infrared Heating Conveyor.

1000 watts/625 length / 2 moulds. 18 zone.

Ups system in conveyor for power failure control

SSPE/2C/JB/ME

2 LTR SEMI AUTO JAR & BOTT

SHREE PLASTO PET ENGINEERING make Pet Blow Moulding Machine

Model SPPE -/2L – 2C - JB.

Capacity – 200 ML to 2000 ML (For 28 mm Neck)
Up to 1ltr 83 mm Neck 2kg single cavity
350 Jar Per Hour

Neck Dia “ Max 120mm”

Production- Up to 1 Ltr Bottle 1000 JPH

Blowing Pressure- 25Kg 54 CFM

System Pressure- 8 Kg

Heating Conveyor :- 950mm length 8 Heater .

Processor- Sarika Technologies

Power Installed- 40 HP (Include compressor, chiller,
air dryer)

SSPE/1L/2C/AU

1 LTR 2 CAVITY AUTOMATIC

SHREE PLASTO PET ENGINEERING make Pet Blow Moulding Machine

1. Model SPPE –/1L 2C /AU.

Capacity – 100ml TO 1000ml

Neck Dia – 28mm /32mm.

Out put – for 1 ltr mineral water bottle 2000 BPH

Depend on quality of mould & perform.

Tch Spec : 1) hydro pneumatic clamping system.

2) Infrared conveyorsd pre heating system

500mm 12 Heaters

3) incremental heating setting by 1% to 99%

4) No perform no blow .

5) Separate blow & pre blow control

6) P.L.C based micro controller.

7) Performs holder. (s.s . 304)

8) All Pneumatic System – Mercury / Janatics

SSPE/2L/2C/AU

2 LTR 2 CAVITY AUTOMATIC

**SHREE PLASTO PET ENGINEERING make
Pet Blow Moulding Machine**

1. Model SPPE –/2L 2C /AU.

Capacity – 200ml TO 2000ml

NeakDia – 28mm /32mm.

Out put – For 1 ltr 2 cavity- 2200 BPH

For 2ltr 2 cavity - 1400 BPH

Depend on quality of mould & preform.

Tch Spec: 1) hydropneumatic clamping system.

2) Infrared conveyorsd pre heating system
2 moduls 6 zone .

3) incremental heating setting by 1% to 99%

4) No perform no blow .

5) Separate blow & preblow control

6) P.L.C based micro controller.

7) Performs holder. (s.s . 304)

8) Set of tool .

9) Air & water cooling festo / jenetics plumbing
system.

PRODUCT & APPLICATIONS

- **FMCG PRODUCTS PACK
PACKING BOTTLES**
- **PET JARS & PACKING OF
SOLIDS**
- **WATER PACKAGING PET
BOTTLE**
- **PET BOTTLE & FOOD
INDUSTRIES**
- **PHARMACEUTICAL
PACKAGING**

• FMCG PRODUCTS PACKAGING BOTTLES

Our machine offer a variety of superior FMCG Product Packing bottle/Jars which widely used in packing of several products such as shampoo, Aromatic Oil, Creams, Cosmetic and hygiene products. Our range of EGCG packaging Bottles and jars is in high demand owing to their unmatched qualities, contemporary design, colors, shapes and size.

• PET BOTTLES & FOOD INDUSTRIES

Food Packing PET Bottles are made according to the demands of customers. Food packaging PET Bottles/jars are used for packing liquid products such as juice, Honey, Edible Oil Etc. Food Packing PET Bottles/Jars are available in 200/250/500 and 1000 ml sizes with 28 mm neck are suitable for hot fillings

• PET JARS & PACKING OF SOLIDS

We offer machines for jars of varied storage capacities these. These pet jars are made from highly pure plastics which are toxic free. Used to store different food items, water, toy and other materials, these jars strong but light in weight Available in divers design, sizes, colors , these pet jars are highly attractive enhances the decor of the kitchen. we offer a comprehensive range of machines available in 500 ml to 20000 ml sizes with 53/63/83/96/120 mm neck

- **PHARMACEUTICAL PACKAGING**

Pharmaceutical Storage Bottles successfully matches with the desired specification of the customers. These Pharmaceutical Packaging Bottles can be blow in various sizes from 60 ml to 200 ml with 25 mm and neck sizes and in clear/amber color.

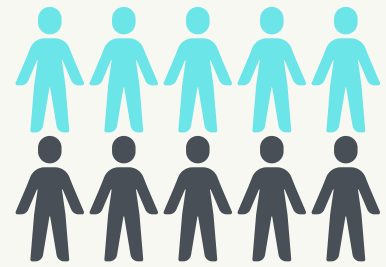

- **WATER PACKING PET BOTTLE**

Water Packing Pet Bottles are processed using pure raw materials. Drinking Water Bottles are manufactured according to the customer' specifications. These PET Water Bottles can be blow in various sizes from 200 ML to 5000ML with neck sizes 28 mm/30 mm. These are also available in different shapes and colors.

Why Shree Plasto Pet Engineering

Customer Satisfaction

No Compromise in Quality

Time to Time Service

having Customer Across India

Thank you
